

It's more than a building.  
It's a work of art.

The urban dynamic inside Loop-610 is experiencing exhilarating change, with some of the most dramatic transformation occurring along one of Houston's premier boulevards, Kirby Drive. Here, new luxury abodes in the sky and sophisticated trade and restaurant venues establish their turf next to the ne plus ultra, River Oaks. But one residential highrise building towers to 400 feet, its gravity-defying, tapered silhouette already an iconic presence. Welcome to 2727 Kirby, one of 21st-century-Houston's most sophisticated and luxurious living environments.
